ENDOMED
ENDOSCOPY SPECIALISTS

COLON Pants

Comfort.
Coverage.
Confidence.

Supporting patient dignity at every stage of the endoscopy journey.

Pre-procedure

Helps patients feel more comfortable and covered while preparing.

During the procedure

Provides modesty and secure coverage, with a slit in the back of the pants allowing the doctor to perform the procedure.

Post-procedure

Allows patients to remain dignified and covered while recovering.

- Soft, lightweight and breathable
- Maintains patient dignity
- Suitable for all body types
- Single use for infection control
